

Diabetes Dayton

Local Agency Serving Local Needs

Dear Miami Valley Business,

Diabetes Dayton needs your support. Diabetes Dayton is your *local* diabetes association that helps with the prevention and management of diabetes; we are the only area agency responsible for diabetes camps and providing supplies for the uninsured. We offer free accredited diabetes education, community screenings, an annual Diabetes Expo and resource referral. We could not provide these programs and services without our supporters and annual fundraiser, Big Brews and Blues; we do not receive funds from JDRF or the ADA. From those we've helped:

"Diabetes Dayton was a godsend when we were having insurance issues and couldn't afford test strips or our child's pump supplies. Thank you for being there"

"I attended classes at Diabetes Dayton and have gotten my blood sugar down from 580 to average 80-90 fasting. I now have a better understanding of how my meds and body work and how important diet is. Thanks."

"Thank you so much for the campership...we couldn't have sent her without it and going to Camp Ko-Man-She meant the world to her. All the staff does such a wonderful job. Thanks again."

Big Brews and Blues is an upscale event which includes an all-draught craft beer tasting, a fabulous line-up of Blues music and local cuisine. We would like to extend a warm invitation to your organization to become a sponsor for this enjoyable event and important fundraiser. Sponsorship means not only supporting a worthwhile cause, but the opportunity to have your business promoted in all of our electronic and print marketing for the event. If you'd prefer to sponsor one of our programs directly, or make a donation for our event's auction, I'd be happy to discuss that with you.

Diabetes Dayton is a registered 501(c)3 organization (EIN# 31-6084147) and sponsorships are tax deductible to the extent allowable by law. Visit our website www.diabetesdayton.org to learn more about our agency and www.bigbrewsandblues.com to learn more about the event. 100% of proceeds remain local.

I will be back in touch soon and look forward to speaking with you more about this.
